10th CBSE , High School, Rainbow International School - [94%]	2017-2019

Technical Projects

Project: "PawCare" - A Pet Adoption Website

Description: Developed a pet adoption website called "PawCare" as a personal project to connect potential pet adopters with rescue organizations and provide a user-friendly platform for browsing and adopting pets. This project demonstrates proficiency in web development, user interface design, and a commitment to supporting animal welfare.
